The poster for SCALARS 2011 features a dark blue header with the event title and dates. Below this, a central graphic shows a classical statue of a woman holding a globe, set against a background of large, overlapping geometric shapes in shades of blue and yellow. To the right of the statue is a list of the program committee members. Below the statue is a list of topics. At the bottom left, there is information about the organizing institutions and their logos. At the bottom right, there is a portrait of a woman and a list of the local organizing committee members.
