The poster for SCALARS 2011 features a dark blue header with the event title in large yellow letters, dates, and location. Below the header, the left side contains a list of topics in a light blue box, a small image of a classical statue, and a portrait of Marie Skłodowska-Curie. The right side lists the program committee members. The bottom section includes organizational details, logos of the organizing institutions, and the local organizing committee members.
